Dear Jim:

I am enclosing a draft of the brief which we propose to file on behalf of the cigarette manufacturers and The Tobacco Institute in the fairness doctrine case pending in the Court of Appeals in Richmond.

As you will appreciate, the present draft still requires some tightening and polishing but this is substantially the document we plan to submit to the Court. I hope that you will have an opportunity to read it, and I would value any suggestions for strengthening the document. We plan to file the brief with the Court on March 12, and if we are to meet our printer's deadline we will have to have your comments in hand by Friday, March 5.

My best regards.

Cordially,

Abe
